#### ADVISORY FOR ALL VETERANS

Compulsory Extended Group Insurance (EI) scheme provides insurance cover to eligible members after retirement / release / discharge for a specified period and amount by charging a onetime non refundable / refundable premium at source from the maturity value due to the officer at the time of retirement.

The Extended Insurance Scheme (EIS) provides a specified amount of cover to the member, as approved by the Board of Governors from time to time. The same is enhanced periodically and is presently valued at Rs 10 lakhs. At present, a member is covered for 30 yrs from the date of retirement or, till 80 yrs of age, whichever is earlier.

An Extended Insurance Certificate is issued to each superannuating Offr, JCO and OR, on which the photograph of Nominee is pasted, to enable her / him to obtain the insurance benefits in the event of unfortunate demise of the member. The EI cert is forwarded at the address given by the officer in the Appx 'G', i.e. maturity claim form submitted at the time of retirement.

4 It is seen that in a number of cases, Extended Insurance Certificates have been returned undelivered by the postal deptt, as the officers have changed their residential address and AGI Dte is not informed of such change.

It may be appreciated that in case the EIC is not held by the Offr / NOK, the NOK is likely to forfeit her / his legitimate claim of insurance where applicable, owing to ignorance of the EI Scheme (in absence of any document).

In view of aforesaid, you are requested to approach or communicate to AGIF the present postal address so as to enable AGI to despatch the EIC at current address to the Offr.

Brigadier Manjit Singh
