Director

Defence Services Welfare

Punjab

It gives me an immense pleasure and a great sense of pride to launch a new edition of Compendium on various Welfare schemes for the benefit of the serving and the veteran fraternity of the State. Over a period of time there has been a manifold increase in both numbers & scope of these schemes. It gives updated information about all welfare schemes in a very simple and systematic manner. This information is also available on the website of the Department.

I am sanguine that all veterans and their families will draw maximum benefits from various welfare schemes instituted by State and Central Government.
